

UNION TOOL BATS ANOTHER WIN SUNDAY

Play Errorless Game Behind Smith; Holds Shell to Six Hits

The Union Tool bunch laced the ball good and hard here Sunday afternoon and easily defeated the Shell Oil team who figured that with Pallas pitching they would repeat the win over the local boys they did about two weeks ago.

The pitching of Pallas proved to be the local boys this time and everybody on the team came through with a hit or two. A good crowd was out and enjoyed the victory as much as the players did.

Score was as follows:

Gentlemen—
We take pleasure in answering your inquiry relative to the service received from Hewitt Tires in use on our buses.
Our business necessitates the use of the very best tire available and in order to secure it, we have tried out several makes of tires - fourteen in the last year. The Hewitt tire has been selected to the same severe test as the other makes and our records show that it has given us the least trouble and the greatest mileage of any tires we have ever used. All other makes have been practically eliminated and our buses are now equipped almost entirely with Hewitt Tires.

Yours truly,
